The REVLON One-Step STYLE BOOSTER Round Brush Dryer & Styler

REVLON

POD: Dries and styles in One-Step. From Boosting Roots to soft curls, flips and waves. Greater control over styling over hair layers with less damage and more added shine.

Round Brush – 38mm	Promotes fast airflow and a fast blow-drying experience since it's the barrel area that heats up, conducting the heat through the bristles and body.
New & Improved Design & Shape	New improved size and shape gives consumers greater control over styling.
Dryer & Styler	Power of a dryer and styler offers more versatility in styling options with a round barrel to help create soft curls, volume and flips. Works great with layers and short hair too.
Ionic Technology	Negative ions saturate the airflow to reduce the size of water droplets for faster drying. This helps condition & smooth and reduces frizz & static, making hair shinier
Ceramic Coated Barrel	For even heat distribution and less damage
Thermal Bristles	Thermal Bristles helps with blow dry and this type of brush has ideal tension for curling/waving, and styling layers.
